Rental Policy Overview

RENTAL PERIOD INFORMATION

All rental items are charged from the time the items are out, from the time the item leaves until it is returned, regardless of the item's usage.

A day rate is based on a 24 hour period, with exceptions being Saturdays and the day preceding holidays. In addition, metered equipment is allowed 8 hours running time during the 24 hour procession time. If the usage exceeds the 8 hour allotted time, the additional time will be prorated at 1/8th the daily rate per hour.

Items rented with a 2, 3, or 4 hour minimum rate must be returned the same business day as rented. Any items out overnight will be charged a day rate regardless of the time picked up.

CUSTOMER RESPONSIBILITY

The customer must check the load to be properly secured in their vehicle or on any trailer. The customer is responsible for any damage due to abuse neglect or operators inabilities. The customer is responsible to protect the items from the weather or theft from the time the item is picked up or delivered till it is checked back in. A reasonable replacement or repair charge will be assessed for any damage or missing parts or items.

DAMAGE WAIVER

A damage waiver covers wear or damage occurred in normal use of an item. It does not cover neglect, abuse (intentional or unintentional), or damage do to operator's inabilities.

Note: These policies do not supersede what is stipulated in the signed rental contract.
